Can you shoulder it?

A Lieutenant of Marines. Command a Marine platoon or pilot a multi-million dollar Phantom jet. At your age that's more responsibility than most men will ever know. Can you shoulder it?

You begin leadership training to earn your lieutenant's bars next summer. No training of any kind is required during the school year. If you can handle the job, the Corps will make you a Lieutenant of Marines the day you graduate. Introduce yourself to the Marine Officer who visits your campus.

The Marines are looking for a few good men to lead.
