LONG PLAYING RECORDS AT A SAVING!

**YOU KNOW  
 YOUR OWN  
 STYLE**

"They" can't tell you what to wear anymore. The day they stopped making minis was the day you started making them. Because no one knows better than you what's best for you. There are fads and fashions in monthly protection, too. And they'll try to tell you the old-fashioned ways are wiser. Or the new gimmicks are the answer. But you know best.

You know you can rely best on Tampax tampons. For comfortable, dependable, invisible protection. And you know you'll get the absorbency-size that's right for you. Because only Tampax tampons offer three sizes: Regular, Super and Junior.

But you know that.
