A PAULIST DOESN'T WAIT TO BE ORDAINED TO GET INVOLVED.

If you think that ordination is something like graduation—and the time in between is similar to marking time—then you couldn't be more mistaken.

The Paulists were founded with the belief that each man is a member of the community and he contributes his own thing. Each is an individual with his own talents and he is given the freedom to use them in his own way. But not later. Now.

For instance, during the novitiate, novices work in such diverse areas as hospitals, vocational rehabilitation centers and Universities. They serve as assistant chaplains, co-retreat masters, student teachers and psychiatric aides.

Paulist Seminary create recreational programs, direct "Days of Recollection" for CCD students, direct film series, experiment with the use of media in the liturgy as a preaching tool, originate and edit the Paulist Free Press, coordinate Lenten lectures and organize Home Masses, to mention just a few.

When you commit yourself to the Paulists, it isn't a someday thing. It's now. Today.

For more information about the Paulists write to: Rev. Donald C. Campbell, C.S.P., Vocation Director, Room 300.
