Football meet slated

An organizational meeting will be held for all representatives and managers of intramural football teams, Sept. 5 at 6:30 p.m. in the Nebraska Union.

Phil Sienna, men's intramural coordinator, said managers and representatives from all teams should attend. "I can't stress enough how important this meeting is because team entries are due Sept. 8. All rules and procedures to be followed will be handed out at the meeting," Sienna said.

Greek houses complete rush

Since formal rush activities were concluded August 27, both fraternities and sororities at UNL have experienced a slight increase in the number of members.

Rush is the system fraternities and sororities use to select new members.

According to Mrs. Jayne Wade Anderson, coordinator for sororities, fraternities and cooperatives, 376 girls pledged sororities this fall.

After four days of orientation, tours of the houses and three sets of "parties", 33 girls chose to not pledge a house. During the course of rush week, 35 girls withdrew, making a total of 68 girls withdrawing from rush.

Less girls withdrew or didn't preference this year than last, according to Anderson.

While sororities only use a fall formal rush procedure, fraternities pledged men during the summer.

Between July 1 and August 20, 412 pledged according to Bill Beer, Inter-Fraternity Council Treasurer. Out of 120 going through rush week, 112 pledged. The total was 12 more than pledged last year.

Mike Denker, IFC Rush Chairman said 80 per cent of fraternity novices pledged during the summer.

Students interested in joining a Greek house can contact either Panhellenic or IFC in the Nebraska Union and sign up for open rush this fall.
