

Take Little Red to the game with you!

Nebraska's only talking cheerleader doll, Little Red, is now available at the National Bank of Commerce. Pull her string and... "Beat the Buffs!" or "We're Number One!" or any of seven Husker cheers.

Little Red is only \$5.95 when you save \$25 or more or open a new \$100 checking account... at NBC.

Stop by the closest bank to campus today and get yourself Mattel's Little Red. Then take her to the games with you. She gets in free, you know.
