## Put a smile on that pumpkin

It's the perfect autumn day: sunny, but crisp and cool, with the smell of burning leaves and the colors of changing foliage. A great afternoon for getting into the mood of the season and carving out that pumpkin. And even though it's "that time" of the month, you're feeling really happy, with a smile as broad as the pumpkin's. Because you have the comfortable feeling of Tampax tampons' internal sanitary protection. And the confident feeling you get because Tampax tampons free you from irritation, odor and worries. Comfort, freedom and confidence are important to you and to women all over the world, so it's no wonder more women trust Tampax tampons to help keep them smiling.

Our only interest is protecting you.

MADE ONLY BY TAMPAX INCORPORATED, PALMER, MASS.
