You don't have to buy wine to enjoy wine anymore. Because the best wine you've ever tasted you can make yourself. In your own home. In your own winery.

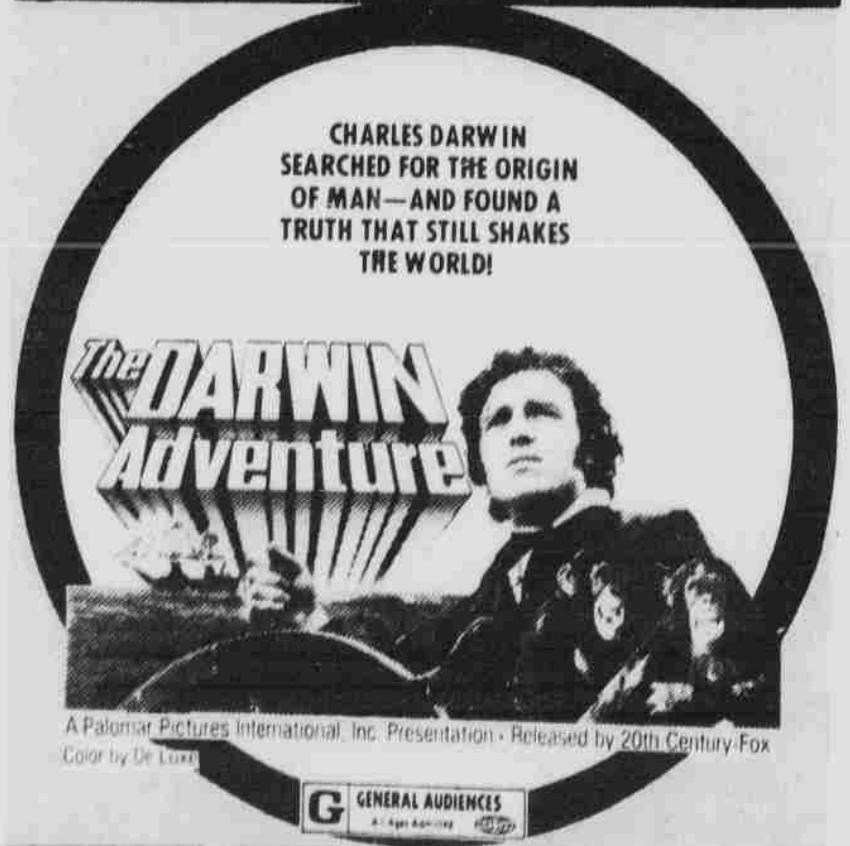

Enology is what wine making is called. You can make your own Cabernet Sauvignon, your own Chablis, your own Beaujolais. You can make your wine from all different kinds of grapes and fruit. From peaches or apples or strawberries or bananas. And with the same equipment, you can even make beer and soda pop.

Browse through the WINE ART shop at 433 South 13th  
Near K Phone 475-7580

Then you can fully enjoy the best wine you've ever tasted.

Home wineries from \$8.95 to \$795.00
