## MAJOR BOOK EXHIBIT SLATED FOR LINCOLN

Five thousand paperback books go on display for University of Nebraska faculty at the Centennial Room, Nebraska Union, 14th & R Streets, Lincoln, on Tuesday and Wednesday, October 24 and 25, 1972, from 9 a.m. to 7 p.m., in an exposition co-sponsored by the University Bookstore and the Association of American Publishers (AAP). Approximately twenty publishers will show their books, and the R.R. Bowker Company will provide reference works through which professors can obtain information about books not on display. Many publishers' representatives will be on hand to answer questions and distribute catalogs. Books will be displayed at company booths and in a special section which will group by academic discipline.

A film will also be shown: a documentary movie version of Alvin Toffler's best-selling book **Future Shock**, narrated by Orson Welles and made by McGraw-Hill Films for broadcast in December over Metromedia television. Refreshments will be served.

Personal invitations are being sent by the University Bookstore to 4,000 faculty, and bookstore managers are welcome to attend.

This is the first of seven paperback expositions this year which the AAP College Division is co-sponsoring with college bookstores in cities across the country.

After the Exposition, the books will be donated by the publishers to the Nebraska State Penal Complex.

# Do you use an after shave just to smell good?

If you thought after shave lotions were just to smell good, that's only half the story. After shave lotions help heal nicks and re-establish the skin's proper acid/alkali balance after a shave. (Bet you didn't know that, did you?)

But smelling nice is, after all, the nicest thing about finishing off a shave. So why not smell great?

English Leather has three ways to accomplish this. English Leather Regular, Lime and Timberline. In After Shave or Cologne.

So that even if you do use an after shave just to smell good, you'll smell better than just good.

**ENGLISH LEATHER MAKES IT A LITTLE NICER TO FACE THE DAY.**
