**A Sherwood receiver  
at 32% off ...  
and we don't even  
call it a SALE!**

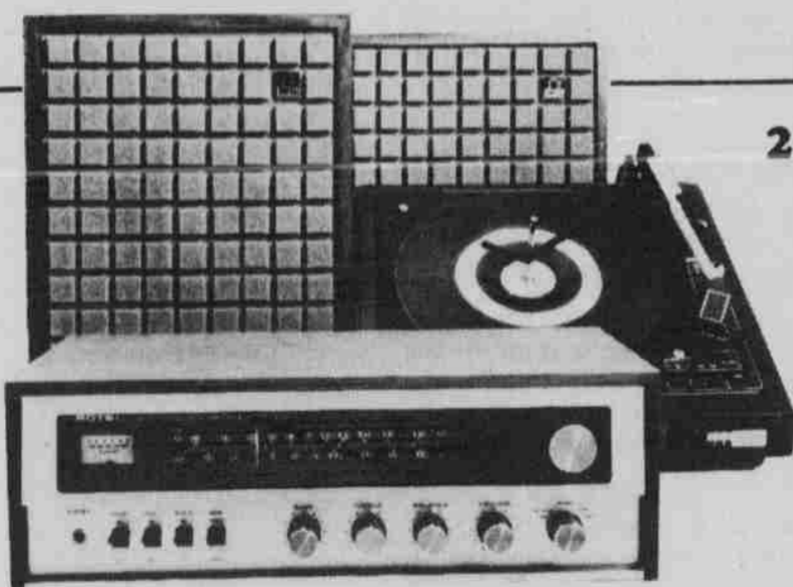

Your Newfangler's every day prices on top brand stereo gear are always the best in Lincoln, which is why you don't hear him hollering "sale" every time he runs an Ad. The Sherwood S-7900 is a good example. The Sherwood won top rating from the nation's leading consumer magazine, and sold like hotcakes at its fair-traded price of \$439.95. Our Newfangler low price of \$299 is a first and is good reason for moving up to one. Think of how 180 watts of music power will take command of your present speakers and clean up the sound. And chances are you've never heard FM stereo the way the Sherwood's tuner section can pull it in. In addition the Sherwood S-7900 has plenty of "oomph" to power a remote pair of speakers, plus a mono extension, and the added convenience of front panel tape and headphone jacks. Couple all these features with the THREE WAY WARRANTY and consider yourself set to enjoy your favorite sounds at their best. See a Newfangler at the Glass Menagerie during Grand Opening, November 9 through 11th... he's new in town.
