President Kennedy described it this way:

"Acting on our own by ourselves, we cannot establish justice throughout the world. We cannot insure its domestic tranquility, or provide for its common defense or promote its general welfare, or secure the blessings of liberty to ourselves and our posterity. But, joined with other nations, we can do all of this and more..."

Unfortunately there are people in this country who are against our simply participating in the United Nations.

By filling out and mailing this coupon, you'll surely be saying, "Why not? Let's talk."

My planet, right or wrong.

Let's get together and find out more about the United Nations and the Federal Union. Please send for more information.

By participating in joining TOGETHER, to help develop peace and our common problems. Enroll in \$5.00 which entitles the member to receive better educational materials.
