

A.S.U.N. News & Views

ASK which stands for the Associated Students Koop is a buyers co-op open to any member (Student, staff, or faculty) of the University of Nebraska at Lincoln. It was initiated by members of ASUN but is incorporated separately as a non-profit corporation.

WHAT DOES IT DO?

Basically, the idea behind the Ko-op is this. Membership cards with your name, picture, birthdate, social security number, and signature are made available by ASK and this card enables you to receive discounted prices at participating downtown stores. In addition, ASK cards may be used as valid ID's for check cashing and to prove your age (for this reason we ask you to bring two forms of identification when you purchase your card).

WHAT'S IN IT FOR RETAIL STORES?

Certain downtown stores who are particularly interested in students at the University of Nebraska have agreed to offer discounts to members of ASK and these in turn will obviously patronize their stores. By increasing sales these merchants will be able to sell at a lower profit, passing these savings on to ASK members.

WHO RUNS ASK?

The operation of ASK is governed by a Board of Directors consisting of 15 students at the University of Nebraska-Lincoln. Members on the board are elected annually by the ASUN Senate so any interested students may apply to be a board member of ASK.

WHERE DOES THE \$5.00 FEE GO?

As stated before ASK is a non-profit corporation which operates autonomously from ASUN, so you don't have to worry about this fee going into someone else's pocket or to finance some student government project. ASK has incurred initial expenses such as the purchase of a polaroid I. D. machine, supplies and incorporation costs which will be covered by your membership fee. In addition, salaries for sales manager, machine operator, typist, and accountant will also be incurred, not to mention advertising costs.
