

# Huskers win second track crown

by Dave Sittler

KANSAS CITY, Mo.—Defending Big Eight indoor track champion Nebraska won its second straight conference crown Saturday in dramatic fashion at Kansas City's Municipal Auditorium.

Coach Frank Sevigne's Huskers bested runner-up Kansas, 52-44, but the championship was in doubt until the final event when Nebraska won the mile relay.

The Cornhuskers were leading the Jayhawks by a scant two points going into the final event, when the Husker's mile relay quartet of Karl Webb, Wes Leonard, Chuck Malito and Leighton Priestley insured the victory.

Fremont junior Jeff Wisemiller was a hero of the hour as he pulled to an unexpected second-place finish behind teammate Roger Chadwick in the 880-yard run.

Wisemiller's performance came when Nebraska seemed to be fading from contention for the championship after Husker runners Larry Climato and Priestley failed to score high in events they were predicted to win on the pre-meet charts.

"Coach Sevigne told me that we were in real trouble and needed every point we could get out of the 880," Wisemiller said. "So, even though I got second, that was the most gratifying race of my life. It put us back in the race for the team championship."

Wisemiller's effort was only one of the winning performances by Sevigne's thinclads, who lifted the victorious coach to their shoulders and gave him a victory ride around the track when the final results were announced.

Besides Chadwick's winning race in the 880, Jim

Hawkins defended his Big Eight 1000-yard title. The slender Hawkins held off a strong field to win in 2:09.5.

One of the tope races was the two-mile run that featured defending Big Eight champion John Halberstadt of Oklahoma State and Nebraska's Bob Unger.

Unger battled Halberstadt the entire race before fading in the last lap to the Cowboy ace.

"I ran the race just like I planned," Unger said. "I'm just happy to finish as high as I did and I'm really looking forward to the outdoor season when I'll get another shot at John."

Other Huskers scoring for Nebraska, were Webb who finished second in the 60-yard dash, Ron Childs, second in the broad jump; and senior Gary Gressett and junior Ralph Fisher, two-three in the low hurdles and 3-2 in the highs for 14 points.

Nebraska and Kansas were in different heats of the relay and after the Huskers won their race it was all up to the Jayhawks to decide the 1973 Big Eight Champion.

When Kansas' lead-off runner Tom Scavuzzo fell far behind in the Jayhawks portion of the mile relay, the Nebraska team started an early celebration as victory was evident.

Nebraska Coach Sevigne, swamped by reporters and well wishers after the meet, said he was surprised at Kansas' poor showing in the mile relay, but was elated in his second straight conference indoor championship.

"I really didn't think Kansas would fare so bad in that last race and I was scared to death what might happen," Sevigne said. "But when I saw their first runner fade, I knew it was over and the championship was ours."

## K-State wraps up Big 8 conference

MANHATTEN, Kan.—Kansas State's basketball squad wrapped up the Big Eight Conference title Saturday by defeating Nebraska 97-70 at Ahern Fieldhouse in Manhattan.

Coach Jack Hartman's Wildcats left little doubt of the outcome, jumping to an early 15-5 lead. They stretched the margin to 51-31 at halftime shooting a hot 58 per cent from the floor before intermission.

Joe Cipriano's Huskers played the Wildcats even from the field, but lost the game on the foul line.

Kansas State scored only four more field goals than Nebraska, 34-30, but the Wildcats were able to convert 29 free throws compared to Nebraska's 10.

"It didn't seem like they missed anything," Nebraska guard Ricky Marsh said. "We played a pretty good game but they were exceptional. When

they play like that they're awfully tough to beat."

The loss dropped Nebraska's record to 4-8 in the conference and 9-13 for the season while Kansas State stands at 11-2 in the league and 21-4 overall. The win was K-State's 21st consecutive home victory, including 13 straight Big Eight contests.

Cipriano said he was disappointed in Nebraska's attempts to work the ball inside on the Wildcats.

"We really didn't shoot very well or get the inside shot," he said. "But I think we stopped their fast break pretty well."

Nebraska was able to place four men in double figures with sophomore Steve Erwin leading the way with a career high of 13 points. Senior Tony Riehl scored 12 points, mostly from long-range while Husker leading scorer Jerry Fort hit 11.

Reserve center Brendy Lee came off the bench to add 10 points. Kansas State's leading scoring was forward Ernie Kusnyer with 22.

Nebraska travels to Colorado Tuesday night and will close the season next Saturday afternoon at Missouri.
