Win a set of Stereo Headphones

Find five mistakes in this ad.*

The first five persons to bring a copy of this ad corrected to our downtown store today (Thursday) will receive—absolutely free—a pair of stereo headphones. Winners after the first five may still buy a pair of headphones (which retale at \$11.95) for the very low price of \$5.00.

And even if you can't find all five errors, you'll find values at Stereo Studio that are unmistakably the "rightest" prices around, because at Stereo Studio you always get "The Best Buys in Components."

*Hint: You won't find any mistakes in the prices. Stereo Studio always has low prices for quality components.

harman/kardon
BSR McDONALD

A medium budget can't do better than our Harman-Kardon BSR/McDonald system. The Harman-Kardon 330A AM/FM Receiver delivers 10 watts RMS per channel. That's more than enough distortion-free power to drive the HK-20 speakers. To complete the system, a BSR 310/X turntable is included. And you don't have to buy a base, dust cover, or Shure magnetic cartridge separately, because they're included. List: \$389.95.
