MERIAN C. COOPER'S

KING KONG

The Original Uncut Version

The granddaddy of all monster movies is Merian C. Cooper's KING KONG. Despite improved technical facilities in the nearly 40 years since its production, its power, skill and its sheer ability to thrill, excite and terrify remain unimpaired. Whether regarded as a horror film, a trick film or a fantasy, KING KONG remains a masterpiece by any and all standards.

with a Pioneer Stereo System for only \$279

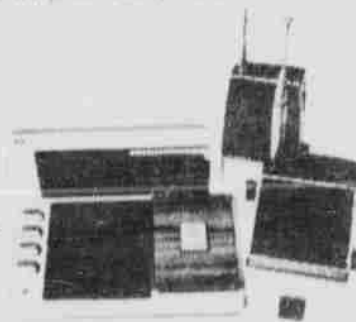

There is no way that you could go wrong choosing the Pioneer System above as your first system. The Pioneer 424 AM/FM receiver has the capability of handling more speakers when you want to purchase them and all the inputs to handle almost any equipment you may want to add. The Omega I A speakers have a pre-fabricated wood and appearance. The Garrard turntable includes turn-dustcover, and Shure M75 cartridge. It has features that most turntables in its price range do not have.
