

# CHAFF Awards

Being from a strong, traditionalist background, *friday* hates to see a good thing die. So, naturally, when the *Cornhusker* met its demise last year, we decided to keep alive one of its cherished features—namely the annual Chaff awards. And, this being our humor edition, here they are. Eat your heart out, Ron Frank.

THE KING ARTHUR AWARD goes to Chancellor Zumberge for his Round Table.

THE "OH MY GOD, THEY'RE STILL HERE?" AWARD goes to O. J. Nelson, Larry Kubert and Dan Ladely.

THE IT'S ONLY MONEY BUREAUCRATIC EXCELLENCE AWARD goes to the regents for boosting tuition and reducing service in the same year.

THE WHERE THERE'S FIRE THERE'S SMOKE AWARD goes to the Lincoln Police Department for cracking down on dope smokers.
