

Student Union lanes cheapest in Lincoln

The Union offers the cheapest bowling in Lincoln. The Union rates are 15 cents cheaper than most city alleys, according to Pat Scanlon, Union games and recreation advisor.

The Union was forced to raise the price of a line of bowling five cents, after the end of second semester to 45 cents a line during the day and 50 cents a line after 6 p.m., but most city lanes charge 60 cents during the day and 65 cents in the evening, Scanlon said.

There are ten lanes of open bowling from 10:30 a.m. to 10 p.m. on weekdays, except for Tuesday and Wednesday nights, he said.

During the regular school year the alley works on a first-come first-serve basis, but

Scanlon said, during the summer reservations will be accepted.

Scanlon said he would organize as many student leagues as desired. He also said the alley gives lower rates to groups.

Also available in the lower level of the Union are pool and snooker tables, air hockey games, foosball, shuffleboard and other games of skill.

On August 2 the games area will close for remodeling. There will be new carpet in the bowling and billiard areas, new seating, telescope units, 100 new lockers and new drapes.

"And the lanes will be resurfaced, but everything will be ready for first semester," he said.

Recreation provides free tennis lessons

Tennis anyone?

Free tennis lessons for beginners and intermediates will be offered through the recreation department. Classes will meet on Tuesday and Thursday from 9:30 to 10:30 a.m.

Lessons will begin on June 26 and will meet for six sessions. The classes are open to students, faculty and staff.

On Monday and Wednesday from 9:30 to 10:30 a.m. lessons for children will be offered. They are open to

children of students, faculty and staff. Classes for the children begin on June 28 and will meet five times.

All lessons are free, however, participants must provide their own tennis balls, which can be purchased from the recreation department. Tennis rackets can be checked out from the recreation department at no charge.

Registration is in the recreation department at 1740 Vine St. and ends June 25.

Huskers break, tie records

One Nebraska career record was broken during the recently completed 1973 baseball season and one season record was tied.

Bob Munson, a senior from Bradford, Vt., broke Bob Cerv's 23-year-old record of 18 doubles hit from 1947-50 by

slashing out 19 two-baggers.

As a junior, Munson set a new Husker season fielding percentage record of .991. But Lincoln junior Sam Sharpe, son of baseball coach Tony Sharpe, committed only two errors in 234 chances this spring to tie Munson's mark.
