

\$200 **"The Freshman"**
 Let there be music! In a dormitory room. A cottage. Or on a small budget. This good-looking Bell & Howell modular stereo system gives you clear, full-sounding music from its sensitive AM-FM receiver. A pair of 2-way air suspension speakers fit just about anywhere and deliver good sound from their 8" woofers and 3" tweeters. (Receiver, Speaker system, List \$259.95.) System comes with BSR 710X cartridge. (List \$54.95.) Total system list price \$314.90.

\$250 **"The Sophomore"**
 A complete system. The Rotel RX-2004 Stereo Receiver (List \$199.95) features sound on much more than just tape. The workhorse BSR 710X cartridge (List \$54.95) comes complete with dual in-line ceramic head, magnet cartridge. A pair of Atlas's 10" speakers (List \$399.00) feature 8" woofers and 1" tweeters. Total system list price \$354.90.

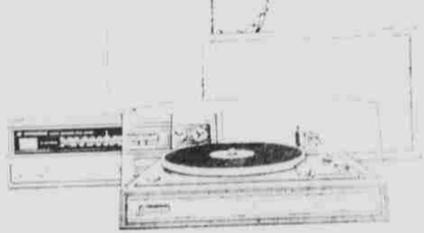

\$350 **"The Junior"**
 This system is just what you need. It's a complete system. The Sansui SR-1000 Stereo Receiver (List \$299.95) has a built-in tuner, double auto-tune, and a 100-watt power amplifier. The Sansui SR-1000 Stereo Receiver (List \$299.95) has a built-in tuner, double auto-tune, and a 100-watt power amplifier. The Sansui SR-1000 Stereo Receiver (List \$299.95) has a built-in tuner, double auto-tune, and a 100-watt power amplifier. Total system list price \$424.90.

\$400 **"The Senior"**
 Now you're into the heavy stuff. The Aitec 704A Stereo Receiver (List \$249.00) delivers beautifully clear sound all the way up and down the audible musical spectrum. Aitec's own 887A speakers (List \$150) are a perfect match for it and deliver a big, open sound compared to their size (10" x 10" x 10"). The system is completed by the Garrard 12" M.P. cartridge (List \$64.95) described above. Total system list price \$464.95.

\$470 **"The Graduate"**
 More than power — and so much more! The Sansui SR-1000X Stereo Receiver (List \$399.95) delivers 28 watts RMS per channel. It's a real sound that you just about any feature you could want. Rectilinear Musical Speakers (List \$299.00) are great and sound even better. Sansui's own 12" M.P. (List \$64.95) completes the system. Total system list price \$612.90.

\$575 **"The Masters"**
 This system is just what you need. It's a complete system. The Sansui SR-1000X Stereo Receiver (List \$399.95) has a built-in tuner, double auto-tune, and a 100-watt power amplifier. The Sansui SR-1000X Stereo Receiver (List \$399.95) has a built-in tuner, double auto-tune, and a 100-watt power amplifier. The Sansui SR-1000X Stereo Receiver (List \$399.95) has a built-in tuner, double auto-tune, and a 100-watt power amplifier. Total system list price \$649.90.

Earotica.

Whatever turns you on. Music systems from TEAM are created with exquisitely matched components by the world's famous makers.

If you don't see exactly what you want on this page just ask. We're big enough to get it for you. And yet not too big to listen. Come. Let us tickle your ears.
