

1973 - 74 AUDUBON WILDLIFE FILMS

Outstanding Nature Films Personally Narrated by the Producers

FIVE DISTINCTIVE PROGRAMS

"KENTUCKY OUT-OF-DOORS" with Steve Maslowski

Monday, October 8, 1973

Wasps, deer, snakes, birds, a red fox's hunt, barn owls, and much more from Kentucky's 40,000 square miles.

"EXPLORING BIG BEND" with Charles T. Hotchkiss

Monday, November 19, 1973

The rugged Chisos Mountains and the arid Chihuahuan Desert of the Big Bend National Park in Texas is a haven for a wide variety of animal and plant life.

"THE LIVING JUNGLE" with Greg McMillan

Monday, December 10, 1973

Barro Colorado Island in the American Tropics is the subject of this film, which is a special study of the life styles of various Barro Colorado inhabitants, of survival and death, of continuation and growth.

"GUATEMALA: HALFWAY TO HEAVEN" with Chess Lyons

Monday, January 21, 1974

This land of volcanoes and earthquakes is rich with trees, people, birds, an abundance of wildlife, jungles, forests and smoking volcanoes.

"WILD TENNESSEE" with John D. Bulger

Monday, March 4, 1974

Over half of Tennessee is evergreen timber land, and its varied topography and climate is host to a great diversity of life forms.
