Come to the sacrifices.

A lot of stores have big sales every day. Or every week. At TEAM, we wait until there's something to have a sale about. This time, we've accumulated odds and ends which we'd like to be rid of. So we're really sacrificing the bucks.

It's all legitimate stuff - no damaged or specially bought promotional junk. Since we don't have enough for our 100 plus stores, we figured the only way to move it out would be on an as available basis. So if there's something here that interests you, hurry on down and snatch it up.
