

The New Freshman ^{100 level} Bookstore Opens January 7

Last fall the University Bookstore tried a new idea. They felt that a special bookstore designed to meet the special needs of freshman students would save time for students and generally eliminate a lot of the hassles involved in buying books.

They were right. Student response was so strong that they are opening a permanent Freshman-100 level-Bookstore which will carry all the books used in 100 level courses.

It will be on the lower level of the Nebraska Union along with the other two University Bookstores and opens January 7.

So whether you're a freshman or a sixth-year senior, you'll get it all at the University Bookstores. We've got it all and we've got it all together.
