  - CD-4 channel separation controls
  - 2 1/4 channel tape monitors
  - Facilities for 2 or 4 channel tape decks
  - "Joystick" loudspeaker balance control

A superb 4-channel system guaranteed to get you evicted if you crank it up all the way.

The JVC receiver is one of our more popular units... and no wonder. It comes fully equipped for just about any type of 4-channel programming: SQ matrix or CD-4 discrete. It's also ready for quad headphones as well as another pair of loudspeakers. Plus a sexy "joystick" control for perfectly balancing your four speakers simultaneously.

The trusty Garrard 42M changer carries an Audio Technica AT-12S 4-channel cartridge (it'll also enhance your stereo records).

And it all comes out of four Atlantis I speakers, more than adequate to fill (and maybe overflow) your listening room with beautiful 4-channel sound.

And at \$525, "The Leasebreaker" is certainly no budget-breaker.

FREE LISTEN: Come hear a special 4-channel demonstration produced by TEAM. It's a mind-breaker!
