Paper's aim for women

Informing UNL women what on-campus services are available to them is the purpose of a new newspaper, according to a Women's Resource Center (WRC) coordinator.

"Women's Pages '74", published by the center, contains feminist-related articles. The publication also tells women where to obtain counseling, according to Sue Atchison, coordinator.

Atchison said she hopes the newspaper will stimulate interest in the center and the University Women's Action Group, a closely related organization.

The 8,500 copies are being distributed in women's living units and the Nebraska Union.
