

ASUN denies funds for dorm sauna bath

In their second attempt this year, Abel-Sandoz Residence Halls residents failed to squeeze funds for a sauna room out of the ASUN Senate.

Kathy Konopasek and Mike Herrig appeared before the senate last week to request money to build a sauna room at the residence halls. They had presented the same proposal last semester and were turned down.

Although they did not specify an exact amount, Herrig told the senate that they needed about \$400 to begin construction. Some funds have been raised through the profits of a game room at the residence halls. The cost of the sauna would be \$1,324, he said.

If the senate would provide the funds, the sauna would be available for use by all students, he said. Only Abel-Sandoz residents would be able to use it however, if the senate did not contribute, he said.

He told Herrig and Konopasek that he did not think that the sauna would benefit most students, but primarily Abel-Sandoz residents, even though the sauna would be open to all. He then suggested that the Abel-Sandoz Residence Assoc. borrow the money from ASUN.

Herrig replied he had not been empowered by the association to accept a loan.

In a prepared statement, ASUN Sen. Steve Shaneyfelt said: "I must object to the preposterous idea of financing a sauna room. A sauna room, indeed! Think of the picture, my friends—warm, sweaty male and female bodies lying close together in the naked heat; yes, closed in a 6-by-8 cubicle—no, it's not a dorm room I'm talking about, but a sauna. Must I remind you what heat is equated with? I personally think that college students are close enough to the fires of hell that a sauna isn't needed."

Student court chief justice reappointed

The chief justice of the ASUN Student Court, Dan Armbrust, will serve a second term. The ASUN Senate, at its last meeting, made court appointments for the 1974-75 school year.

Armbrust is a junior in the Law College and has served as chief justice this year.

Associate justice appointments to the court are Rick Holman, Mary T. Johnson, Dennis Keim, Ellen Thompson, Lee R. Wilkins, all juniors, and George Rhodes, a senior.

The senate also voted to accept the nomination of John Vihstadt as a senator to represent the graduate and professional colleges.

Dear Steven,

As you know, your mother and I have made great sacrifices to send you through college. The very idea of you asking us if we can send you to Europe this summer is outrageous. The nerve! Your mother and I haven't had a vacation in the last 5 years.

But knowing you, you'll get yourself to Europe somehow or other. Well to show you we do want you to enjoy yourself like the other kids, I've sent this STUDENT-RAILPASS coupon your mother clipped out. Because you're a student under 26, you can get unlimited second-class rail travel in 13 countries for up to 2 months for only \$165. The trains are clean, modern, punctual, fast, and comfortable. So once you get over there you can see Europe as cheaply as possible.

By the way get your STUDENT-RAILPASS here; you can't buy it in Europe. It's a great deal Steve—tax free and one beautiful way to beat currency fluctuations.

Now there are two things I suggest you do. First, send in the coupon so you can buy the ticket. Second, start saving your money.

Love,
Dad
