# Finish first.

The Army ROTC Two-Year Program gives you the chance to finish your education first. And serve your country later. As an officer.

If you're transferring from junior college, or were unable to take ROTC during your first two years of college, the ROTC program lets you finish whatever you're studying. Now.

In fact it can even help you. By giving you \$100 a month allowance for 10 months of the school year. By giving you the management experience and leadership qualities that can be helpful in any field. By giving you the pay, prestige, and experience of serving as an Army officer.

Your education is about the most important thing in your life right now. And the Army ROTC Two-Year Program lets you finish it. First.

Army ROTC. The more you look at it, the better it looks.
