

With our luck,  
as you read this, it's snowing!

Last year, our Spring Cleaning Sale was accompanied by howling North winds and droves of little white snowflakes. The bargains, which resulted from manufacturer's discontinued products and some miscalculated overstocking on our part, made our customers happy. Cold but happy they were! So we figure the Nebraska weather will most likely make our "Spring" cleaning sale idea meteorologically chancy again this year. The special prices on Marantz components, each carrying our full three year parts and labor warranty, make the risk of venturing into a Nebraska "Spring" worth it. Just in time for St. Patty's Day, too!
