SAFEMAY BRANDS
 What are they? Why do they sell for less?
 Our Safeway ad usually includes a list of brands who have sold in almost every food store. But this week our featured specials are our Safeway brands and each carries the famous Safeway smile right on the label.
 It's a family of high-quality products. Now all of them can be old friends to you. Safeway, Bel-Air, Mrs. Wright's and Town House. And there are many others we want you to meet.
 Safeway Brands we manufacture ourselves, others are made for us by the most responsible manufacturers in the country. All are made under rigid quality specifications. All carry Safeway's Money Back Guarantee. We sell them for less because they cost us less. It's as simple as that!
