**why does a man  
join Maryknoll?**

There are probably as many answers as there are individual Maryknoll priests and Brothers. Some men are deeply moved when they hear of babies dying in their mother's arms because of hunger or disease. Others are distressed by the growing antagonism and separation between the rich and the poor nations. More are concerned about the great injustices that have been inflicted upon the poor by those who possess wealth and power to an excessive degree. Others look to learn from peoples who have grown up with a different mentality than that which is theirs. All feel that the only solution to the crises that threaten to split men asunder is the love of God as shown in the life of His Son, Jesus Christ. This love of God urges men to go forward and be missionaries so men can love one another. What could be your reason for joining Maryknoll?
