

**Vemeer Quartet  
at NU**

**June 16-18**

The Vermeer String Quartet will be in residence on campus from June 16-18. During this time members of the quartet will be giving lectures, coaching sessions and conducting masters classes in the Westbrook music building.

The quartet will give a public concert at Kimball Recital Hall on Sunday, June 16, at 3:00 p.m. This concert is open to the public. Any summer school student is invited to attend the lectures and classes conducted by members of this quartet.

A nearly deserted campus Friday left a normally busy student thoroughfare a quiet place for Mark Brown, a senior majoring in pre-law, to study without interruption.

**Want to earn \$500 to \$1,000 in your spare time?**

It's not really hard. You work your own hours and have your own office. All you have to do is distribute advertising materials, sign contracts and collect rent on refrigerator rental units in dorms. Sounds easy enough, but what's the catch? No catch. These units sell themselves - all we need is a campus representative to work on a commission basis. You can expect to make \$500 during the summer or up to \$1,000 during the regular school term.
