Open a Free and Easy Checking Account at NBC. There's no minimum. There's no savings requirement. There's no service charge. What there is is a little extra cash for you each month, and one less figure to compute on the old balance sheet.

Or open a High-Interest Savings Account at NBC. You're going to be working hard all year. And if you've got the money to save, shouldn't it be working, too?

A Free and Easy Checking Account. A High-Interest Savings Account. However you decide to do your banking business with us, you're gonna like the way we do business with you—in a friendly, personal sort of way.

You're gonna like the convenience of our locations, too. We're just a couple of blocks from the University with our main bank at 13th and N Streets. Then there's our drive-in banks at 12th and P Streets and 10th and O Streets—both just seconds away.

And you're gonna love the convenience of owning your own personal calculator—the NOVUS NS 600. This lightweight, compact calculator can't be matched for speed and accuracy. It adds, subtracts, multiplies and divides instantly. It comes complete with a long life 9 volt transistor radio battery and a 90-day parts and labor warranty. And best of all, it comes at a price a student can afford—just \$16.77 when you open a checking or savings account at NBC.
