

'Sammy' bonfire tradition to return Friday

Pollution has had its effect on traditions at UNL. One of those affected was the annual "Sammy" bonfire, a week-long celebration by Sigma Alpha Mu fraternity, discontinued three years ago because of air pollution standards.

The bonfire is back this year in an abbreviated form. It will begin at 6:45 p.m. Friday and last until 9:45 p.m.

The bonfire tradition began in 1961 and was designed to raise spirit for football games. Mark Smith, Sigma Alpha Mu president, said that so far there have been no complaints from environmentalists.

"We talked to the fire department and other officials who complained in the first place," Smith said. "They agree that three hours won't hurt the

environment and it's something that will be good for school spirit."

The bonfire will be preceded by a pep rally at the North Union Plaza. The Cornhusker Marching Band will lead the crowd to the Sigma Alpha Mu House, 733 N. 16th St., where Coach Tom Osborne and the NU football team captains Dave Humm and Tom Ruud will address the

crowd. The "Mizzou Tiger" will be burned in effigy.

The bonfire will be built in front of the house in a hole about 10 feet deep, Smith said. "Naturally," he added, "the freshman members of the house will be doing most of the work."

During the fire, Smith said, people may roast hot dogs and marshmallows.
