## CSL . . .

The Career Placement Office receives \$45,000 to \$50,000 annually in student fees, Hallgren said. He said teacher placement, unlike career placement, receives \$18,000 in tax funds and charges each student a \$20 fee for using the service.

Duve, responding to CSL's recommendation on parking ticket appeals, said he thought the procedure should be the same for everyone at UNL.

He also said CSL should keep in mind "the possible poor use of administrative time" when considering the recommendation that only handicapped people have reserved parking spaces.
