

Nov. 8, 1974— "One of the reporters of the Nebraskan had occasion to visit the State Orthopedic Hospital yesterday and while there witnessed several operations of great interest. One of the operations was on a baby suffering with cleft palate, another was for club foot and both of these were performed by Dr. Lord of Omaha. The hospital is open to the Pre-Medic students of the University and should be used for their benefit. The cases were very interesting and will be remembered by the reporter who was fortunate enough to get to witness them. Many of the Pre-Medic meetings will be held at the hospital in the near future."

THEATER NUMBER 1

**I Am
Curious**
(yellow)

Vilgot Sjoman's complete and uncut I Am Curious (Yellow) is a "remarkable film (which) has been playing for a long time to droves of Swedes, and to several million people almost everywhere. It is the story of a young girl who is, or was, curious about politics, nonviolence, Zen, commitment, socialism, other Swedes and, to be sure, sex. It is a serious film with a noble theme and, in dramatic terms, it is original," says Look magazine. The Evergreen Film presented by Grove Press stars Lena Nyman. A Sandrews Production. ADMISSION RESTRICTED TO ADULTS.
