## RACTIME 60 YEARS AGO

Dec. 11, 1914—"The Pra-Medic Society journeyed to the State Hospital for the Insane last evening. There was a mob of future doctors that besieged the unfortunate street car conductor at Tenth and O streets and how many of these rode with the compliments of the street car company is unknown. One thing is certain, there were so many of them that the car had a very sanitary and antiseptic appearance. President Updegraf and Secretary Dakin did their best to preserve order, but most of the order was pickled."
