When you shop the University Bookstores you shop convenience. The Union Mall is the hub of activity at the city campus and the place to fulfill nearly all of your student needs. Among other student services the city campus union features three restaurants, spacious lounging areas and of course the center for the University Bookstore.

The University Bookstores 3 separate locations in the Nebraska Union are all located in the lower level.

The University Bookstores' supply store provides nearly every item a student could need for his classes and for his living.

The Freshman Bookstore is designed especially for freshmen, making book buying much less confusing in a bookstore with the first year student in mind.

The textbook store has all the books required for every other class if you don't see what you want, Just ask for it, and we'll do our best to get it for you.
