## Don't let the price of a college education stop you.

The price of a college education is skyrocketing. Fortunately the Air Force has done something to catch up with it. For the first time, the Air Force ROTC Scholarships include the 2-year program, for both men and women.

If you can qualify, the Air Force will pay for the remainder of your college education. Not only do AFROTC 2-year college scholarships cover full tuition, but reimbursement for textbooks, lab and incidental fees, as well as a tax-free monthly allowance of \$100.

To cash in on all this just apply, qualify, and enroll in the Air Force ROTC at M & N Bldg. Rm. 209

Maj. Hank Juister

It's a great way to finish your college education in the money, and build a future where the sky's no limit... as an officer in the Air Force.
