DICK ANDY

God knows,
I'd like to help,
but...

But what?

Do you really think God will let you get away with that? If you can't do things alone, join with others at your local church or synagogue. Example: in Atlanta, one religious group helps move families and elderly people who can't afford a moving service. The God we worship expects us to help one another.

Start treating your brothers and sisters like brothers and sisters.
