# Sophomores and Freshmen:

If you have any desire to become a part of Naval aviation, the time to act is now!

If you are a college man, you've already shown the ability to put your mind and talents to work in achieving important objectives. Training to be someone special in Naval aviation may be one of the most rewarding accomplishments of your career.

As a freshman or sophomore, you can reserve a place in Naval aviation before you graduate by participating in the Aviation Reserve Officer Candidate (AVROC) Program.

AVROC works for you, with no interruption in your studies, while you continue your education. Upon graduation you move immediately into a good-paying, exciting job that you began training for (with pay) during the summer vacation between your junior and senior years.

If you're interested in hearing more about a once-in-a-lifetime opportunity in Naval aviation, visit the Placement Office

**Today, Tues., or Wed.  
March 17 - 19,**  
we'll fill in the details of AVROC.
