LOCAL - NATIONAL COMPANIES
Not all companies can afford to hire individuals to go around the country interviewing on college campuses. In fact a very small percentage of companies want to interview hundreds of applicants. They would rather interview the 3 or 4 best qualified for their business. Local companies naturally can't take the time to talk to everyone. SO they call on us to screen for them.

LOCAL APPLICANTS
Not every company is good for you. They can't all offer good solid training programs, promotional opportunities, financial backing and the kind of working conditions that YOU want. It's our business to know about these things!

WE OFFER

- Confidential Counseling Service
- Obligation Free Inquiry
- Guaranteed Services
- Knowledge of Companies
- Interviewing Technique Training
- National Exposure

Let us do the leg work while you are spending your time hitting the books for finals.
