

**You are about to be
introduced to a fundamentally
new concept in audio stores...
...CUSTOM ELECTRONICS.**

**You will discover
that CUSTOM is your best
buy whether you want to
spend a lot or a little.**

**CUSTOM ELECTRONICS strives
to meet the needs of every
customer. We can do things
for you that no other audio
store can because we've
become a complete stereo
center. Of course, we give
you terrific service after the
sale regardless of the amount
you spend.
Read on...**

**1 To satisfy the needs of a true audiophile, we
carry such brands as... McINTOSH, PHASE LINEAR,
DALQUIST, G.A.S. NAKAMICHI, REVOX, CITATION
(and by the way we carry the giant T.V. screen
called the ADVENT VIDEOBEAM.)**

**2 For the system hunters, we have three very
popular system plans:**

**2 large Advent
speakers, a
Kenwood 4400
receiver & a Dual
1225 turntable
\$659⁰⁰**

**2 smaller Advent
speakers, a
Harmon Kardon
330 B receiver,
& a Glenburn
2155 A turntable
\$439⁰⁰**

**2 Advent
Two's speakers
a Kenwood 1400
receiver & a
Glenburn 2110A
turntable
\$349⁰⁰**

SERVICE AFTER THE SALE:

**3 This shouldn't be forgotten. And you can bet we
don't forget it. At CUSTOM we take care of the
customer who buys a \$349 system just as carefully
as the \$3,000 customers. We're the audio store that
originated the extra-warranty policy.**

**Thanks for reading this, and welcome back.
Lincoln SOUNDS a lot better this year.**
