A 5 minute bike ride from campus

We're looking for certain majors to become Lieutenants.

Mechanical and civil engineering majors... aerospace and aeronautical engineering majors... majors in electronics... computer science... mathematics.

The Air Force needs people... many with the above academic majors. And AFROTC has several different programs where you can fit... 4-year, 3-year, or 2-year programs. Some offering full scholarships. All offering \$100 a month allowance during the last two years of the program. Flying opportunities. And all leading to an Air Force officer's commission, plus advanced education.

If you'd like to cash in on these Air Force benefits, start by looking into the Air Force ROTC.

Major Juister
472-2473
Room 209 M&N Bldg.

Put it all together in Air Force ROTC.
