Naval ROTC
Why NROTC ?

Q. What does Naval ROTC have to offer?

A. A commission, plus two promotions and two pay raises after four years as an officer in the Navy or Marine Corps. (Ask civilian employers if they will guarantee \$16,000 plus after four years of service with them.)

Q. Where will I be stationed?

A. Everywhere in the world. (London is nice; Hong Kong is better.)

Q. What will I do as an officer?

A. In addition to ships, submarines, and aircraft, the Navy and Marine Corps cover almost every civilian speciality—including political affairs and environmental control. (The United States Navy spent more money in pollution/environmental control last year than any other agency in the world.)

Q. Where can I find out more about Naval ROTC?

A. Visit M & N building, 14th and Vine, rooms 102-106. Call 472-2475.
