

NU administrator's salaries

D.B. Varner

James Zumberge

Ronald Roskens

Robert Sparks

Editor's note: Last fall the Daily Nebraskan published a list of faculty salaries. We did so in the belief that when NU salaries are discussed, our readers are entitled to know individual figures as well as averages.

Some persons interviewed in today's page 6 feature expressed discontent with salaries. The following list of 1975-76 salaries for NU system administrators, UNL administrators and UNL college deans is published in the same spirit that prompted the faculty salary list.

All figures are for 12-month periods; some include both state and nonstate funds.
