## Vacant office funds shifted by RHA

By Betsie Ammons

The Residence Hall Association (RHA) voted Thursday to transfer some money originally designated as salaries for RHA vice president and social committee chairperson to the association's contingency fund.

RHA treasurer Paul Haranc made the proposal on the grounds that the office of vice president had been vacant during part of the fall semester and the position of social committee chairperson has never been filled.

RHA representatives elected Tom Bradley from Harper Hall as vice president two weeks ago, a month after the resignation of former vice president Karen Lundquist. Lundquist relinquished her salary to RHA and Bradley will be paid for his time in office.

Food and Housing Committee chairwoman Judi Siminoe told RHA that \$1,402.38 was collected from the All University Fund Fast in campus dormitories. Residents were asked to skip dinner on Oct. 29 and the cost of their meal was donated to the fund. Siminoe reported that 2,597 students participated in the fast.

Thefts in dormitories increase around the holidays, RHA President Sue Ihne said. She encouraged representatives to tell residents to guard against this and keep doors locked at all times.

### THE COLDER IT GETS, THE MORE YOU NEED BIVOUCAC.

The same functional gear that keeps skiers and backpackers warm, works great in town, too. So, before you freeze your duff off this winter stop in to see the cold-weather specialists at BIVOUCAC.

**Goose down.** Ask an insulation expert or a friend who's tried it. They'll tell you there's nothing like goose down to keep you warm. That's because it expands or "lofts" to fill up insulating space better than anything else. Yet its feather light. And goose down has the resiliency to continually spring back to its original loft or thickness. We've been selling goose down products for years, and using them ourselves, so we can answer your questions in more detail and give you brochures to take home. Snow Lion Down Vests \$28.95 Snow Lion Down Coats \$45.95 Hoods available.

**Fiberfill.** There are select man-made materials that do a great insulating job, but not quite as well as goose down. And even though you can't beat goose down for performance, fiberfill does offer some other advantages. It's usually less expensive, it performs better when wet, and it's non-allergenic. Bivouac sells the best of these fiberfill products. Snow Lion Palisade Parka \$39.95 Snow Lion Rocky Mt. Parka \$47.00 Hoods available
