Kenwood KR 4400
Our Most popular 25 watt per channel Receiver.
Reg. 299.95 Sale 269.95

Kenwood KT 1300G and KA 1400G
The KT 1300G Stereo Tuner and KA 1400G Stereo Amplifier offer features and quality found in more expensive models at a price for those with a modest budget. The tuner delivers clean, crisp AM, FM, and FM stereo reception, with a zero-center FM tuning meter, linear dial scale, and accurate quick tuning. The matching amplifier delivers a full 14 watts per channel min. RMS with both channels driven into 8 ohms, from 50-20KHZ, with no more than 0.8% THD. They combine to give the best performance in their price category.
