

# THE STEREO STUDIO GEORGE & ABE & VALENTINE SPECIALS

- OR - HOW TO SHAMELESSLY TAKE ADVANTAGE OF  
TWO PRESIDENT'S BIRTHDAYS AND A TUBBY CHERUB  
WITH A BOW & ARROW TO CALL ATTENTION TO

## SOME GREAT VALUES

George and Abe were honest to a fault. They would undoubtedly appreciate the honest low prices we have placed on our compact Meriton music systems. (Prices good through George's birthday, February 16 ... or whenever the government says his birthday is this year. But that's another story). And remember, our systems are covered by the Stereo Studio five year parts, three year labor warranty.\*

## THE STEREO STUDIO 10-POINT BUYER PROTECTION PLAN\*

- FIVE-YEAR PARTS AND THREE-YEAR LABOR GUARANTEE**  
Stereo Studio warrants for five years from the date of purchase of any new stereo component, that the original purchaser in possession of our warranty certificate will pay not one cent for parts, and for three years from date of purchase there will be no charge for labor in repairs.
- YOUR SATISFACTION GUARANTEED OR YOUR MONEY BACK**  
If, within seven days, for any reason you become dissatisfied with the stereo components you have purchased from us, you can return them to Stereo Studio for a refund of the full purchase price. (Returned equipment must be in original condition with all packing material, accessories, instruction books, and with warranty cards not filled in or defaced).
- PRICE PROTECTION**  
If, within thirty days of purchase, you find any authorized dealer offering the same equipment with the same services for a lower price, Stereo Studio will refund the difference. (This does not apply to differences in State or Federal taxes, and is void where prohibited by law).
- EXCHANGE**  
If, within thirty days of purchase, any stereo component should prove to be defective and cannot be repaired by Stereo Studio within four working days, we will give you a new unit in exchange for the defective one. (The defective unit must be returned in original condition with all packing material, accessories and instruction books. Stereo Studio must reserve the right to make adjustments where an item is not stocked at the time of exchange).
- 100% TRADE-IN**  
If, within thirty days of purchase, you decide you like other components we stock better than those you bought at Stereo Studio, we will accept for trade-in credit any components in your original purchase at 100% of the purchase price. This credit may then be applied to the list price of any unit or combination of units we stock. (Returned equipment must be in original condition with all packing material, accessories and instruction books).
- SPEAKER TRADE-IN**  
If, within one year, you decide to purchase more expensive speakers, Stereo Studio will allow your full purchase price towards any more expensive speaker we carry. (Your speakers must be in new condition and must be returned with the original packing material. Reductions will be made for cabinet damage. Limited to original purchaser).
- NO HIDDEN EXTRAS**  
To make your stereo component system purchased from Stereo Studio function, all necessary wires and cables are provided free of charge.
- CONVENIENT CREDIT**  
Stereo Studio accepts BankAmericard and Master Charge. We can probably obtain long term (six months to three years) bank financing for you. If you decide on a system costing slightly more than you originally budgeted, we'll arrange an interest free loan on the balance for a period of 90 days.
- LIBERAL TRADE-IN**  
Any time you feel like improving your system, whether you bought it from us or not, you'll find that we offer substantial trade-in credit toward a new system.
- A USED EQUIPMENT GUARANTEE, TOO!**  
When you buy used equipment at Stereo Studio, no matter what it is, you receive our 90 day warranty covering both parts and labor (provided that, after purchase from us, the equipment has not suffered misuse or mistreatment).
