

Tune up your car at TEAM.

CB SPECIALS!

You can have a lot more than music in your car when you install a CB unit from TEAM. TEAM has been serving CB enthusiasts for years, so you can count on us for advice on the best equipment for your needs. TEAM also stocks the leading brands with the most wanted features. Give your car that extra tune up—tune into CB.

E. F. Johnson Messenger 123A Transceiver

If you're looking for a mobile citizen's band radio with lots of transmitting range, this one is it. Electronic voice compression helps you reach distant CBers other units can't. For clear reception on all 23

channels, there's a built-in automatic noise limiter, and a large, illuminated "S" meter that makes accurate tuning a breeze. N.A.V.* \$159.95

\$149

*National Advertised Value

Kricket Accessory Speaker (KC-35)

Help get rid of garbled CB reception with a big accessory speaker that not only produces clear, sharp voice transmissions, but penetrates road sounds that filter into your car. Easy to install... it plugs right into your CB unit! N.A.V.* \$14.95

\$1280

Pace CB-143 Transceiver

Small size for convenient underdash mounting, yet packed with important features. Transmit and receive on all 23 CB channels. Has "S" meter for tuning that's always on-the-nose. Also has built-in automatic noise limiter, transmit indicator light and remote speaker jack. N.A.V.* \$129.95

\$119

SWR Meter (Gold Line Model GLC-1049A)

Want the best transmission and reception possible for your citizen's band radio? This SWR meter from Gold Line will help you adjust your antenna, be it mobile or base, for optimum performance. N.A.V.* \$15.95

\$1480
