## Our American Economic System is good or bad.

(ask us)

Most Americans (about 80%) believe that our economic system—with its individual freedom—is the best in the world, yet some changes are needed. To help give you a clearer picture of our system on which to base decisions, a special booklet has been prepared. For a free copy, write: "Economics," Pueblo, Colorado 81009.

The American Economic System.

A booklet prepared by the American Economic System, a division of the U.S. Department of Commerce, directed by a Congressman.
