Debate date set

Washington — Jimmy Carter and President Ford will argue domestic and economic issues before a national television audience Sept. 23, in the first face-to-face presidential campaign debate in 16 years. The League of Women Voters and aides to the two major contenders also announced that a second debate would be held on foreign policy and defense matters with a third and final session open to any issues. Dates for the last two debates were not set immediately.

Pay raise denied

Washington — The House voted Wednesday to deny itself a cost-of-living pay raise this year, and it expanded the salary freeze to include the Senate, the Cabinet, federal judges and top federal officials. The raise, the exact amount of which is yet to be determined, would come automatically Oct. 1, unless Congress blocked it. The action was an amendment to the legislative pay bill, and the House went on to consider the bill as amended.

Gandhi boycotted

New Delhi — Prime Minister Indira Gandhi's political opponents of both left and right stalked out of Parliament on Wednesday and vowed to boycott debate on sweeping legislation that they said would turn India into a constitutional dictatorship. In a rare display of unity, the Marxist Communists joined four major non-Communist parties in denouncing a proposed constitutional amendment enhancing executive powers. They also protested the detention of some 30 opposition lawmakers since the start of a national emergency 14 months ago and continued press censorship.

Tax benefits cut

Washington — Congressional conferees voted today to cut off millions of dollars in tax benefits to companies honoring the Arab boycott of Jewish businessmen and Israel. In an unrecorded vote by show

of hands, House members of a conference committee accepted the cutoff as a part of a big catch-all tax bill that includes an extension of individual tax cuts. With expiration of a freeze on withholding taxes at midnight Tuesday, the law says the amount taken out of workers' paychecks can increase by what one senator estimates to be an average of \$3 a week. But Congress is taking steps to extend the freeze for 15 more days while lawmakers continue work on the bill. That would be the third extension of the lower withholding rates. The bill would extend last year's individual tax cuts through 1977.

Plane crash kills one

North Platte — A North Platte area man was killed instantly Wednesday afternoon when his light plane crashed and burned on a sandhills ranch about eight miles northeast of here, Lincoln County authorities said. The pilot of the plane was identified as Patrick Clinch, the co-owner of a flying service south of here.

Sweet Chariot.

I'm an Air Force officer and this is my sweet chariot. When I visit home people are happy to see me. And proud. They say I'm doing my part in the community by showing the young people and the adults that you really can make it. You really can get your share of the good life.

I also feel good about my position in the Air Force community. I'm a leader there, too. I'm someone the other brothers and sisters I meet in the service can look to. And it reassures them to know they have a voice in Air Force matters that concern them.

The Air Force needs more leaders...pilots...aircrew members...math majors...science and engineering majors. You might be one of them and the best way to find that out is in an Air Force ROTC program. There are two, three, and four-year programs. Scholarship and non-scholarship. Why not look into all of them and see if one fits your plans? It's worth it, brother.
