

WALPURGISNACHT*

*Webster definition: Witch's Demonic Orgy in the Mountains

THE WINTER FESTIVAL

TONIGHT AT THE NEBRASKA UNION

Tonight—the Witches come out of the mountains to stir up a tempting brew at the Nebraska Union. This is the Union Program Council's really big, BIG BASH. Join the crowd at Vendo Kill, or if you can't stomach smash-ins, try Belly Dancing. Hypnotists, jugglers, card sharks, magicians, strange little people puppets, the Loose Brothers and even a witch or two...they're all a part of this mad, mad scene. Every nook and cranny in the Union will be crammed with the action. Walpurgisnacht begins at 6:30 tonight! Don't you dare miss all the fun. The witches will get you if you stay at home.
