YOU ARE INVITED TO A

FREE PARTY

at Horsefeathers (upstairs), this Wednesday, beginning at 8 p.m. It's free if you are a current member of the UN-L Ski Club. If you aren't a member, come anyway—we're asking for a \$1 at the door for non-members. Plenty of your favorite refreshment will be on hand—several gallons at a time. It'll be a good time.

SKI During Spring Break for \$137

That's right, folks. The University of Nebraska Ski Club has put together a trip to Dillon Colorado for \$137. You get round trip bus transportation (if you thought long bus trips are a drag, you obviously haven't been with the UN-L Ski Club before). You get four days of lift tickets—good at Keystone, A-Basin, Breckenridge, and Copper Mountain. Of course, FREE door to door shuttle bus service, every hour, on the hour, picks you up in front of your condominium, and drops you off at the ski area of your choice. Then brings you back at night. Your price includes five nights of lodging at Lakeview Condominiums. They're 2-3 bedroom units, full kitchen, sauna, recreation room, laundry facilities. AND, they're a 75 second walk to the nearest local entertainment establishment.

BE AT THE PARTY WEDNESDAY! That's when we'll be taking \$50 trip deposits. We only have room for 40 some people, so be there early to sign up. If you're not sure about going with the club skiing, come to the party anyway. Now while you're thinking about it, mark down this wednesday on your calendar, desk blotter, or palm of hand—so you won't forget. Remember, there hasn't been a trip offered like this (comparable lodging and lift ticket package) in the Lincoln area since 1972. And guess who offered the great, but cheap trip in '72. . .

Call Russ Vanous, 466-3151 for more info. He'll probably tell you that all four ski areas we're intending to go to are reporting good—excellent snow conditions. Also, the National Weather Service is predicting DAILY snowfall of 2-5 inches EACH DAY for the next fifteen days.
